and analysis protocols

Thanks for the additional detail.

I will send in for processing tomorrow.

See email below.

My contracts person in the region not sure why you
haven't seen the \$10K yet.

The contracting officer in HQ handling it is Claudia
Armstrong. Reference Purchase Order (PR) # 156.

Jack:

As we discussed, the additional \$15K is approved for funding.

Subject: Completion of MCHM sampling and analysis protocols

Fran,

Raj Singhvi called this morning. He said to complete the remaining work on the sampling and analysis protocol for MCHM he needs an additional

\$15K. This is on top of the \$10K we are processing. (He also said he didn't get this funding yet. Told him I will look into the status; I have no idea how long it takes.)

I said its probable we will say go ahead but don't do anything just yet. I asked him to give me a couple paragraphs justifying the additional costs.

Let me know your thoughts.

Jack
